Production guidelines

Rolling Boards

Total format incl. passepartout frame: 3140 x 2310 mm. The creative has to be designed in a 3140 x 2310 mm format. The scripts and the major elements of the creative have to be placed in the unconfined visible face of 3000 x 2160 mm, since the creative is partially covered by a passepartout frame of 70 mm.

To ensure problem free processing and for us to produce the best quality please follow the instructions below:

In order to obtain an optimum please send us your artwork (+proof) only in digital form, **best is the PDF format.**

Document size: in scale 1:10 to the end format.

Production guidelines
